PROGRAM INFORMATION

The Hope Street In Whittlesea program is a State Government initiative developed from the Youth Homelessness Action Plan Stage 2 - Creating Connections* and released as Support for Young People That Really Counts (SFYPTRC). This is a key government strategy for responding to youth homelessness utilising a housing and support model based on the Victorian Step Forward approach.

The program's target group is young people with connections to the local government areas of Whittlesea who are either currently engaged or ready to engage in employment, education and training and the

activities of the program. The program aims to proactively assist young people to develop their skills and abilities to live interdependently in their local community including enjoying meaningful and sustainable relationships. Young people may live in the units and participate in the program for the length of their tenancy prior to moving into interdependent living in their community. Outreach support is available after exiting the units.

Hope Street in Whittlesea program is located in Thomastown; comprising of 5 single bedroom units for individual young people and 2 two-bedroom units for young families and Preston; 4 two bedroom units for individual young people. The program operates from Thomastown on the same site which has been refurbished to provide office and workshop space.

With the leadership, support and direction of the Program Manager North East, the two case managers and three residential support (sleepover/weekend) workers are responsible for the delivery of services to young people and the community in accordance with the model.

POSITION INFORMATION

The purpose of this position is to provide strength based case management support service to young people to develop interdependent, sustainable life options in accordance with the Foyer like program model. A core focus of the program is proactively working with young people to access and/or maintain employment, education and training opportunities and achieve meaningful citizen participation. Achieving this within local communities using a participatory approach is a core aspect of the model.
